## SERVING...LEARNING...GROWING!

teens

The Summer has really geared up. We have hit the ground running. We just got back from Work Camp last week and today several of the teens are headed to Camp Wetoga.

Work camp was a great experience. There were over 200 people that gathered together to serve the people of Chattanooga. We helped 20 home owners and after we finished serving them there, we took time to sit down and eat together. Our teenagers showed how much they cared about serving others and made me proud.

This week at camp I expect we will have a lot of fun as well as learn a lot. The theme is "The Real, Big Deal!" We are going to spend time reflecting on Jesus. I think a lot of time, because we spend so much time at church talking about Jesus, sometime we forget how awesome he really is. Hundreds of year before his birth over 300 prophecies were made and then fulfilled in his birth. He was born of a virgin. In his life he never sinned, and was an example of how we should live. He did miracles, and understood the scripture so that he could teach others how to follow God more closely. Lastly, he died as a sacrifice to cover our sins. Then he was raised from the dead. Each of these continues to raise the levels of wonder. It is important to take time to remember that what Christ was no normal person. He is the Son of God, and the *real big deal!*

I want to encourage you to dwell on these things. I also want to ask that you take time to pray for our teenagers this summer. We are very busy serving, learning, and growing and we will always appreciate your prayers.
