The Youth group has had a great summer this year. We were as busy as always. We had some boys go to Middle Tennessee Future Minister's Camp, we had several in Chattanooga working on houses for people that need help. We went to church camp at Camp Wetoga, we went to Harding University for Uplift, and some of the kids went to Detroit on a mission trip. Then we finished up the summer with VBS and a lock in. It has been a fantastic summer. We have learned things, we have skipped sleep, we have prayed together, and we have shared together. It was great and it wouldn't have been possible without Central. Several of our members helped to pay for kids to go to events, others have volunteered to help cook, or drive, or help keep the kids in one piece, and best of all several of you have prayed for us continuously. So we all want to thank you for all the ways you have supported the youth group.

As summer has come to a conclusion, many of our kids have begun school again. Adults often forget the feeling kids have when they have to go back to school. We forget the dread of going back to work after getting 3 months off to enjoy the outside, sleeping in, hanging out with friends, and no homework. But as they go back to school they get used to it again and begin to learn more about science, literature, math, history, and all sorts of other great things. As adults we often don't take time to learn. We are busy working, cleaning, and making sure the world runs on time. 2 John 1:9 says "Everyone who goes on ahead and does not abide in the teaching of Christ, does not have God. Whoever abides in the teaching has both the Father and the Son." The word abide is a strange one. We sing abide with me, but what does abide mean? It means to live somewhere. We should be living with the teaching of the word. Let it live in us so that we may know it. I want to encourage all of us who may have slowed our learning, as the kids go back to school to get back in the word. Let the words of God fill our lives. Take it seriously make sure you know it, so that you may abide in it.

## PLEASE...OH PLEASE!

It would help Lanie and the office staff so much if everyone (members & visitors) would complete an Attendance Card. During this period when Lanie will be receiving treatments, OTHERS WILL BE DOING THIS And they will not be as familiar with you and where you sit...to try to do this from memory! You can place them in the Collection Plate or leave them on the seat as you leave. It is so great to have everyone here today. May you be blessed as we worship our Lord.
