Brother Jasper Rogers

Recently, we lost a precious brother in Christ. Jasper Rogers passed away January 23. He, Gladys, Patti and Beth moved to Dalton for him to serve as principal at Valley Point High School. He was the first principal at Southeast High School and served the county in various ways before retirement. Jasper was a true educator and loved to learn. He was a wealth of knowledge to those who were fortunate enough to sit at his feet.

During his years in Dalton, he was a faithful member at Central. He loved the Bible and didn't miss opportunities to worship God, to be in Bible Class, and to participate in many congregational activities. A special way that he served was through our Benevolence Program. He wanted to remain active and committed after retirement. We loved having him work with people in our community and having him around the office...serving and encouraging. Jasper could always share a story or a joke that would make you laugh. He also would find a way to make comments in Bible Class that would have the group in stitches. When Parkinson's was affecting his body and even his smile, he could still make funny comments.

He was a great husband, father, grandfather and great-grandfather and loved his family dearly... a good friend to many...and a wonderful Christian man who looked forward to spending eternity with his Lord. Just thinking...wonder if Jasper and Warner are trying to outdo each other telling jokes. Lots of smiles in Heaven today.

Dear Central Family, It is with great personal sadness to inform this congregation that I am stepping down as your youth minister. Due to some personal issue that I have discussed with our shepherds, it was felt the best choice for this body for me to pursue other ministry opportunities. I apologize for the abrupt nature of my departure, but both the elders and myself felt this is the least disruptive to the work of the congregation and our youth program.

Words cannot describe how very much I appreciate the love, care, and patience afforded me by everyone at Central. You have allowed me to grow as a person and a youth minister and I will always fondly remember my time at this congregation. I will pray for you all during this transition and my God grant you all peace and joy until He returns.Andrew Fulks
