## Something to think about....

- Why did God create a "lighting bug", a "stink bug" and a "stick bug"?
- The Bible says, "He also made the stars". Gen. 1:16 What an understatement.
- If Judas was the "son of perdition" from the beginning, was he still responsible for betraying our Lord, Jesus?
- I guess we are the only created being on earth that can choose not to do what he was made to do. Are you using what God gave you?
- "I have no special talent, I am only passionately curious." *Albert Einstein*
- Use IT or lose IT to someone else who will use IT.
- C. S. Lewis said, "For you will certainly carry out God's purpose, however you act, but it makes a difference *to you* whether you serve like Judas or like John."
- Our investments are made wholly for the benefit of our returning Lord.
- What have you done with the "little" that He has given you? Why would you expect "much" if you have not properly used the "little"? Is neglect the same as burying?
- Jerrie Barber's father was a good, hard working man. He invested in a lot of properties over the years...but his best investment was, he said, in what he invested in Jerrie, his son. I think that is the "return" for His investment that God wants...it's not so much that he wants His talents doubled, but that our faith, love and hope in Him...doubled. And when we use the gifts He gave us, it doubles.
- "Just because you haven't found your talent yet, doesn't mean you don't have one." *Kermit the Frog*

Each Wednesday night in June and July, 2 brothers will be sharing what discipleship looks like in their “everyday” world of work. They have been asked to focus on 3 questions:

- 1) What does it mean in your life to be a disciple of Jesus?
- 2) In your particular work world, how does being a disciple of Jesus look in terms of your specific behaviors and Interactions with folks?
- 3) What is the greatest challenge to being a disciple of Jesus in your everyday work world?
