## Camp Wetoga Work Project Friday & Saturday, May 4<sup>th</sup> & 5<sup>th</sup>

We will be repairing a bathroom in the Women's staff cabin at Camp Wetoga. Tony Coley will be leading this project. The floor of the Women's Staff cabin, back bathroom, is in sad condition.

But, not for long...

Tony and I, and anyone else that would like to join us, will go to camp to do most of the demolition work prior to Friday, May 4<sup>th</sup>. We can pretend we are on an episode of "Flip this House" or "Fixer Upper". See Tony or Ross if you want to help with the demolition. At this time, we expect to replace wood floor, showers, toilet & sink of the Women's Staff Cabin, but there could be added repairs once we do the demolition work.

There are other projects that will need to be done while we are there ...like cleaning & repairing the Boy's Cabin #2. Cabin #2 is Central's responsibility to maintain. The Boy's cabin always needs cleaning, screen door and window repaired, smoke alarm checked and bed areas vacuumed. Men, women and children are welcome to help with these projects.

Even if it rains that weekend, we will still be doing the repair projects since they are mostly "inside" jobs. If you want to contribute money for the repair, please make your tax deductible check to Central church of Christ, ear-marked for "Camp Wetoga Bathroom Repair". Give your check to Tony or Yvonne Coley. We would love for you to join us, even if you can only work one day or part of a day. Just sign up in the lobby and indicate what you can do. Bring whatever tools you would like to bring, we will also bring our tools to share.

Some of us may stay overnight on Friday night if there is a need to finish on Saturday. **SATURDAY WORKDAY IS ONLY IF WE ARE NOT FINISHED ON FRIDAY.** Please sign up in the Lobby if you can help. We will contact you later with more details.
