I know I shared this same story last year but, as we get ready for a very busy summer, I thought it as applicable today as it was last year.

There was an important job to be done and Everybody was asked to do it. Everybody was sure Somebody would do it. Anybody could have done it, but Nobody did it. Somebody got angry about that, because it was Everybody's job. Everybody thought Anybody could do it but Nobody realized that Everybody wouldn't do it. It ended up that Everybody blamed Somebody when Nobody did what Anybody could have done.

I challenge you to think of new ways to be active in and at Central. What can you do to help show the world the "Love of Jesus?"

- Joshua Holloway
