Thank You!

Dear Wonderful Church Family,

I have always said that we have the best church family in the world and your kindness and concern for me recently just confirmed that again. Thank you so very much for the calls, cards, food and prayers that I received during my strange ailment. I really don't know much yet as to a final diagnosis and may never know, but I do know that I have had every test known to mankind on the heart and brain and all was good. My blood pressure is back now to a low normal which I have always had and I am not on any med for blood pressure. My primary care doctor will evaluate everything that was done and see if I need anything further. Again, my heartfelt thanks to you all.

In Christian love,
Barbara Rous

Thank You!

Dear Church Family,

We would like to thank you for the generous prayers and well wishes during Bobby's surgery & rehab. He has a few weeks left but is progressing as he should. We are so humbled by the love our Central Family shows us.

In Christian Love,
Jane & Bobby King
