Thank you

Sorry this letter is so late it took me a while to find the right words to say how thankful I am. I am so thankful that I have an amazing church family that does everything in their power to make sure one person feels welcome! I loved all the gifts, they were amazing! I know that God has blessed me so much because of how wonderful my Christian family is! I hope I can make others feel what I felt when I got all the cards and gifts from my baptism!

Thank you church family!
