Thank you!

Thank you everyone for all you have done for us during Kevin's illness and his passing. There are too many people to name, but please know we know who you are and what you've done for us. Also, for anyone who has donated to Hope Lodge in memory of Kevin thanks for that too. They are not notifying us unfortunately, but we are appreciative of all who have donated. We will never forget the outpouring of love we have felt from each of you. **The Kevin Stanley Family**
