CHURCHES OF CHRIST DISASTER RELIEF EFFORT INC.

DONATE

Your donations allow us to purchase needed supplies in large volume, at extreme discounts, whenever we need them. We are able to stretch your donation dollar and buy 3-4 times what you could purchase at retail prices. We don't have to wait for donated goods to come in before we can send supplies out. We keep between 20 to 30 shipments of supplies in our warehouse at all times, so we stay prepared for the next disaster. Your donations will help us replenish what we've already sent to families in need. We will help anywhere in the US or US Territories, and we are always on standby. We get in touch with Church of Christ congregations in the areas affected as soon as possible. In the case of hurricane's, we will call congregations in the forecast path of the hurricane before it makes land fall, to tell them we're waiting on their phone call. If an area needs help, we will send supplies as quickly as the local church tells us they're ready for them to be delivered. In most cases we will help an area within a day or two of the disaster, so your donations help us replenish supplies we already had ready to send, so we can continue to help others.

A look at the Bible's essential, foundational teaching related to the end times, such as...
Which 'end-times' teachings are essential to the Christian faith?
What is the 'intermediate state'?
What happens at the return of Jesus?
What happens at the 'final judgement'?
What can we know about life after death?
What does the Bible teach about hell?
What does the Bible teach about the 'new heaven and new earth'?
Should 'end-times' teachings make me fearful or hopeful?
