Thank you

To my Central Family, I can't find the words to express how grateful I am for the support you all have given to me and my family with the passing of my mom. The meal you prepared for us, for my big family, all the text messages that I received and all the people that came to the funeral home for visiting. I was profoundly moved by all of you that came. I truly felt the love of my church family. All the hugs that I got from the ladies meant so much. I will forever remember what you have done! You are all the true light. Love you all!
